Holidays for Ramblers of all abilities

For over 75 years, Ramblers Walking Holidays has provided programs of walking and interesting sightseeing holidays. Walking holidays range from very easy to quite tough, with a whole programme in between to provide something that will suit just about everyone. Sightseeing tours can include a fair amount of walking too, but add other dimensions such as learning about new cities, monuments, museums and history.

All groups are accompanied by a qualified walking tour leader. You can choose from over 250 holidays throughout Europe, The UK, and Worldwide. The world is certainly more beautiful on foot!

(Ramblers Walking Holidays is a subsidiary of Ramblers' Association Services Ltd, incorporated in 1946 under the Industrial and Provident Securities Acts. Profits not ploughed back into the business each year are donated to the Ramblers Holidays Charitable Trust).

Gordon Walker Chalet Stair, Newlands Keswick, CA12 5UF

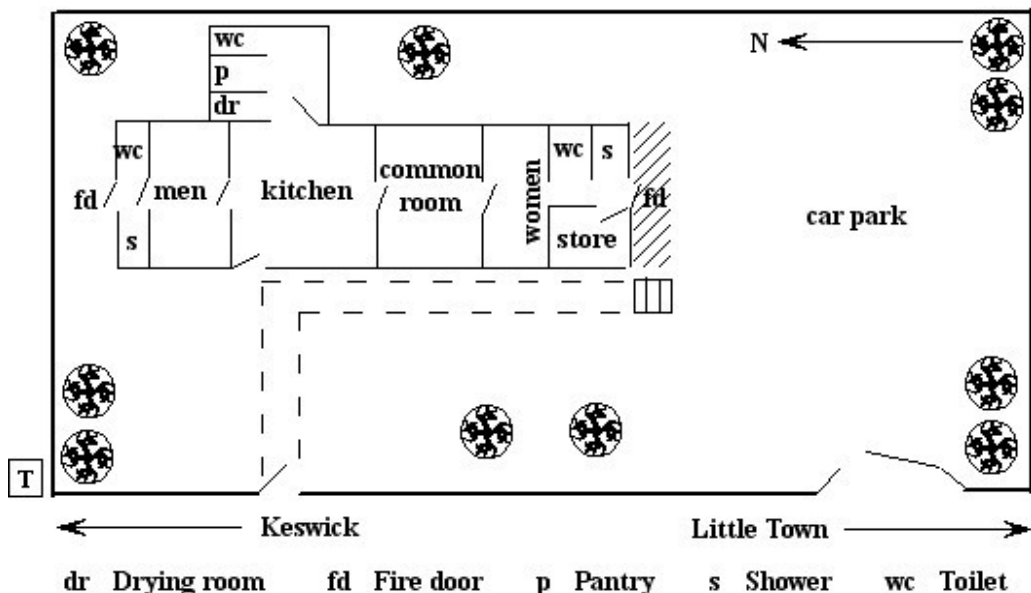

Location

The chalet is at Stair (GR NY237212) on OS Outdoor Leisure map English Lakes NW, in the Newlands Valley, three miles from Keswick. It is about 75 yards along the Little Town road, which leaves the Portinscale - Buttermere road two miles from Portinscale.

The Penrith - Keswick - Workington bus will drop you either at the end of the Portinscale road or in Braithwaite village, both about two miles from the chalet. From April to October, the Keswick - Buttermere bus will take you to Hawse End, one mile from Stair. The Keswick launch operates on Derwentwater to Low or High Brandlehow. For information about public transport telephone the national Traveline service (0871-200-22-33).

The ascents of Catbells, Maiden Moor, Causey Pike, Hindscarth, and Robinson all start within 30 minutes walk of the chalet, and there are many pleasant walks within a few miles through some of the best scenery in Lakeland.

Each bedroom contains four two-tier bunks and a wash basin with hot and cold water. Each has a toilet and shower adjoining. Pillows, duvets, and blankets are provided. Bring your own sheet sleeping bag or sheets and pillowcases.

The common room also serves as the dining room, and includes a small library, games, jigsaws, and some maps. There are two dining tables with chairs, together with easy chairs. The dining room and bedrooms are carpeted.

There is a well-equipped kitchen. Crockery, cutlery, cooking utensils, microwave oven, electric cooker, and tea towels are provided. The pantry includes a refrigerator/freezer.

Lighting and heating is by electricity, which is included in the booking fee. In winter, storage heaters, for background heating, are in use every night whether the chalet is occupied or not.

There is no caretaker, so visitors are expected to leave the chalet clean and tidy. A vacuum cleaner and utensils are provided for this purpose. There are shops in Braithwaite.

Our chalet is available to all members of the Ramblers' Association, and may also be booked by affiliated clubs. Enquiries about availability of accommodation and booking forms to Julie Galland (see below). There are steps into the front door and no specific disabled facilities.

Completed booking form and cheque for full fees should be sent with **large stamped, addressed envelope** for reply to:
